

2025

MEMBERSHIP INFORMATION

Thank-you for your interest in becoming a member of Fairview Mountain Golf Club.

Fairview Mountain was established in 1925 and has undergone several transformations to become the course it is today. Score Magazine has rated our course as high as #18 in Canada. In 2004 and again in 2009, the British Columbia Professional Golfers Association named us Golf Facility of the Year. In 2024, our Head Pro, Rob Tadey was named the PGA of British Columbia Head Golf Professional of the Year. In 2023, our Executive Professional and COO, Brian McDonald was named PGA of Canada Executive Professional of the Year. Our latest accomplishments came in 2012 - PGA of BC ranking of #13 in BC's Top 20 Tracks to play and in 2015 was chosen to host the 113th BC Amateur Championship and the PGA of BC Championship.

In addition to our remarkable championship course we offer our members great facilities to enhance their experience. From our fully stocked Pro Shop and our Restaurant/Lounge facility, to our Cactus Shack and Beverage Cart, our friendly and knowledgeable staff deliver a positive experience for each and every member. Also, in 2015 we have taken a step to lessen our carbon footprint by installing 2 EV charging stations for those who drive an electric vehicle.

We offer four classes of membership: regular, intermediate, student, and junior. Regular membership entitles the member to all privileges of the Society, including voting rights at Society meetings, option to purchase annual dues or retainer fee, and full use of our practice facilities.

We invite you to look over the membership information and contact us with any questions or concerns. We look forward to hearing from you and anticipate that you may soon be part of the Fairview Mountain Golf experience!

Mission Statement

"We are committed to offering a memorable golfing experience for members and guests amid spectacular surroundings, through continued responsible improvement to service and facilities."
